## Languages

Bilingual  
Swedish/English

## Programming

JavaScript (Node,  
Angular), Java, Scala,  
NoSQL, SQL, Material  
Design, Git,  $\LaTeX$

## Skills

Customer relations, project management, Full-stack development

## Experience

- 2015–2016 **IBM - Global Business Services Department** Stockholm, Sweden  
*GBS Junior Consultant*  
 I joined IBM through the Tekniksprånget initiative. After the internship I got the opportunity to continue working at IBM as a Junior Consultant at IBM GBS. During my time I worked on a CSR project developing a statistic platform for an organisation aiming to increase the use of fully electric taxis in Sweden. I learned full-stack development and worked with both SQL and NoSQL databases as well as multiple web development frameworks.
- 2014–Now **Ungdomsförbundet Sveriges Flotta** Stockholm, Sweden  
*Sailing Instructor*  
*Assistant Chief of Boats and Maintenance*  
 As Sailing Instructor I got experience in group development when working with a new team to successfully overcome problems and secure a fantastic experience for the children who we were teaching. As Assistant Chief I got experience in spotting and prioritizing problems as well as leading a team to fix problems to keep operations running smoothly.

## Education

- 2016–Now **Master of Science in Engineering, Computer Science and Engineering** Lund University, Lund
- 2012–2015 **High School Diploma** Natural Science Norra Real, Stockholm

## Other qualifications

- 2018 **Treasurer and member of the board** Datatekniksektionen inom TLTH  
 Treasurer at Datatekniksektionen inom TLTH involves doing the accounting and finance for the organisation as well as proposing a budget. As a member of the board I have written policies and regulatory documents for the organisation.
- 2018 **Project manager: Development of new Website & Backend** Datatekniksektionen inom TLTH  
 As project manager for the development of Datatekniksektionen's new website I have gotten experience in project management, configuration management and DevOps.
- 2015 **IST: ICT Department** WOSM - World Organisation of the Scout Movement  
 At the World Scout Jamboree I got the opportunity to work in the ICT department in the reception desk. I got to experience how a well thought out system can experience difficulties when deployed and how to solve them with limited resources.
- 2016 **Mentor** Code Club  
 Code Club is a voluntary initiative aimed at teaching children aged 9 to 11 how to code. It originated from the United Kingdom, and is now supported in Sweden by IBM.
